

Welcome to the 3rd edition of our annual newsletter.

First and foremost, we want to thank you for allowing us to be your hosts this past season. We are grateful for not only your patronage, but also the drinks, laughs, stories and friendship you shared with us. We are grateful to many of you who returned and to many who came to visit us for the first time in 2016. We are indebted to Michelle Chan, Jaqueline Burton, Joe Andrade, Shaily Kumar, Lilia Lokshin and Jennifer Yin for the 5 star reviews on Google and Facebook. Most of you visited us in 2016 for the first time and we were pleased you had pleasant stays with us.

2016 is a year of changes, in the Village of Hastings and in our resort. Hastings has now an indoor sports center within walking distance from our resort. The replacement of Lock 18 swing bridge was completed in early May. The beautiful new bridge has a design life of 100 years. The red hot Toronto housing market had some positive impact on the cottage market in Hastings and surrounding neighborhood. For sale signs have been rare, and they come up and disappear quickly. When you come to see us in the summer, you will find that the empty lot to the east of our resort has a beautiful house on it.

The summer of 2016 was definitely hot. Most of us turned air conditioners on in our houses since early June. To ensure you a comfortable and pleasant stay, we installed new conditioners in all of our cottages by the end of June.

We also completed several renovation projects during the year. Dan and George have been

helping us to stain outside wood panels of all cottages, decks and rails. Cottage 5 closets were fully renovated. The playground was upgraded and re-enforced. We continue to replace stoves, refrigerators and mattresses. We plan to renovate Cottages 1, 4 and 6, and install quality vinyl plank flooring in Cottage 1 and 6 bedrooms by the season opening.

We had a small dream of making the resort into a garden with flowers, plants and trees. You have been helping us with ideas.

We planted tulip and clematis last year and enjoyed beautiful flowers already.

When sending this newsletter to you, we will send along a confirmation of your booking if you booked your vacation in 2016 or early 2017. Let us know that the booking is accurate and up to date.

If you like to book for the 2017 season, please give us a call or send us an email. We look forward to seeing you again if you stayed with us in the past. If we have not met yet, we will welcome you with open arms.

Our very best wishes to all.

Your hosts: Wendy and Henry
